"A ministry without walls or borders..."

The promise...

OOESBB would like for you to focus on this message:

This is the first of many additions to come. OOESBB ministry is a branch of The House That Wisdom Built (THTWB). OOESBB is responsible for delivering, identifying and developing "faith" based programming, missionary, and outreach initiatives. These initiatives will represent a non-denominational approach, very similar to the one that Jesus Christ delivered in his walk. OOESBB will operate as a ministry without walls, borders or restrictions. OOESBB, is willing to work (according to our schedule) with any ministry or church that follows the principles set by God in the name of Jesus Christ.

Pastor's corner...

A statement from the Pastor's plate...

"I'd like to briefly reflect a passage found in the 23 Psalms, 'The Lord is my Shepherd, and I shall not want...'

For the last 20 years, we as a people have become very misguided in our thinking, wishing, and our expecting. The reason why I'm confident in saying this, is based on my example of case in point, our current state of our employment, housing market, military/gas crisis, wall street and superficial unaccounted needs, wants and desires.

In my opinion, man has played God, leaving us unfulfilled and with shortcomings. It would be to our best interest, to return back to biblical principles, which included man believing in God first and following his principles, while acting as a good steward of what is given to him/her. In other words, put God first and all else shall follow..."

Rev., Dr. Patrick J. Reynolds, BA, MS, Th.D.
