**Volume II, Number 008**

**OOESBB message is for you:**

**"It is about God..."**

This is a series of 10 editions that focus on God's love to be shared. As pastor of OOESBB, I have designed a condensed focus session that I would like my readers to focus on. You were asked to meditate on the third commandment. Here is my summary:

The third command should always remind each and every one of us to hold all commandments high...and never use God's name in vain. For God is a loving God and true father that we should honor respect and worship. I hope now you understand why you should guard your lips and be very aware of the power of the tongue. Do you have any questions? Let's move on.

Since you had the chance to meditate on this, I hope that you have adopted this same view.

Moving forward, I would expect to receive 2-3 e-mails from readers engaging me into dialogue on these series. I look forward to your responses.

**Fourth Commandment:**

**Remember the Sabbath day, to keep it holy  
(Exodus Chapter 20 vs. 8-11 KJV).**

Please take time and meditate on this fourth commandment until the next edition. It is all about God. Study this and be patient.

## **Pastor's corner...**

*A statement from the Pastor's plate...*

**"Your Pastor ..."**

Are we aware of our own spiritual "network?"

As Pastor of OOESBB, I ask this question because I have transformed my light, to keep God as the center and source for my needs. In the days of Moses and Aaron, God used Aaron to be part of Moses spiritual network for God's plan to be accomplished. Nevertheless, Moses still endured many challenges, yet the only one that he let hold the rod that God manifested power in was Aaron. Hint, why do we trust so many insignificant individuals to be a unfaithful part of our network...?
