## **A message of Wisdom**

*To increase your knowledge...*

*The definition of respect is defined as, "esteem for or a sense of the worth or excellence of a person, a personal quality or ability, or something considered as a manifestation of a personal quality or ability" (Dictionary.com).*

*'Respect' has many paths of understanding. But the main concern as 'respect' relates to Wisdom and Knowledge is the wearer of the shoes, the path that has been taken--and the hand that the person who is being respected has had dealt in life. In other words, no one can determine the wealth of knowledge and wisdom that one has gained from the walk that they have taken; and no one should be able to judge the two sides of the path...*

*Respect can be a humbling experience. 'Nurture' the 'nurturing.'*

## **"SEW Now 2012..."**

During the months of July and August, youth's between the ages of 8-14 were provided with the opportunity to be given a sewing machine for the best writing response to, "If I could sew, what would I sew and why?"

Various responses were submitted, yet there could only be 2 youth's awarded with sewing machines. A warm congratulations goes out to:

- ❖ Jenaya Williams
- ❖ Jamira Jones

Hope you enjoyed your summer! Perhaps you will be able to create some nice holiday gifts with your new sewing machine? ☺
