"Recap of 2012 and 2013 highlights..."

THTWB successfully implemented and achieved all of the goals set for the pantry, clothing and social service components in 2012. Our 2013 objectives will include the installation of new board members. Each board member will be given a task, in which they will be asked to support the strategic plans, goals and objectives that align with the mission and vision of THTWB.

THTWB's paramount mission will be to continue strengthening our relationship with our key partners and communities within the scopes of services that we provide.

THTWB CEO snapshot:

The following question has been posed to the CEO, "What are you looking for in your new board members?" The CEO's answer is:

"Well, this is a good question. Each person selected will be installed from 2013 – 2015. What I seek is characteristics that may include: an individual who possesses a college degree, senior citizens, a recovery mother, disabled senior citizen male, an adult who grew up in foster care, a parent whose child was murdered and a seasoned attorney or a retired CPA. This is what I seek as an ideal board of THTWB."
