A message of Wisdom

To increase your knowledge...

As Wisdom increases, the light becomes brighter. While the economy continues to move somewhat upward, THTWB, continues to receive more individuals in need of services, with various needs. Many of these needs represent areas of 1) utility disconnections, 2) Rent, 3) Medical, 4) Trouble with the law, 5) Facing foreclosures, 6) In need of help with prescriptions and transportation and; 7) The bottom line, having a need for help with food.

The light gets brighter, because of the forward thinking of THTWB, to set up programs and services to help individuals become "self sufficient." It is always the goals of THTWB, to be a key component in the games of systems, within the communities that we serve. We are that "light..."

THTWB food pantry volunteers...

Administration of THTWB extends warm congratulations to the food pantry volunteers, for 1 year of service. Each volunteer was recognized and honored during the month of February for their "selfless" service. This is an event held annually for pantry volunteers. Congrats to all volunteers for your dedication and hard work!

THTWB Executive Director/CEO snapshot:

The following question has been posed to the Executive Director/CEO, "On the lighter side of life, with all of the challenges, miscommunication and set-backs that you and your organization have withstood...what would you advise individuals who continue to support adversary roles when it comes to

your success...?" The Executive Director's/CEO's answer is:

"First of all, this is a very good question, and very appropriate for this particular point in time, in this particular era beginning in the 21st century. I'm knowledgeable and aware, that I can't go into a person's biological DNA, and restructure the "hater" gene/make-up that they have ascertained, to remake them as lovers and supporters of my success; nor can I explain it to be any different for anyone reading this message that has haters.

This instance clearly reflects biblical days, when God extracted the angel, which is known as the devil from heaven. You can rest assure that if you have "haters" and they are committed to expounding their venom of hate in your direction or at your life, you will significantly exceed in your success, when you realize that God is the reason of your success. "
