A message of Wisdom

To increase your knowledge...

The definition of success will be expressed by the CEO of THTWB. "Success is a result of a deliberate decision, which is the result of a series of adjustments that have occurred within one's life. All of these adjustments have brought everything into a perfect will and accord of God. There is no better place in time in one's life than to be in a place where you only count on God. Success therefore is possessing the knowledge that God will never let you down in your time of need. That is success for one to grow on...."

THTWB food pantry volunteers...

The months of April May and June have been very active months for THTWB this year. Our pantry program has continued to stabilize families throughout Greater Cleveland, Ohio. THTWB has helped many families through outreach, connecting them with voter registration, Ohio benefit bank services, clothing (men, woman and children), along with other household items that many participants were in need of. THTWB also provided hundreds of tickets for sport events to the Lake Erie Monster's and Cleveland Gladiator games through project S.E.L.F. (a program designed for youth's to enjoy socialization with their families). For all that attended the games, if you took pictures at the games, there is still time for you to submit your pictures, which can be featured in our Newsletter.

THTWB Executive Director/CEO snapshot:

The following question has been posed to the Executive Director/CEO, "As you continue to work with limited monetary resources, what has been your biggest challenge?" The Executive Director's/CEO's answer is:

"This is a very good question. I must go back to how THTWB was established. It was established on

'faith, charity and service' our basic cannon, or our three pillars for success (all connected to knowing that God will be there for you). With that being said, the biggest challenge for THTWB is when we are faced with a tough decision to say whether we need to consider letting go or keep going. Each time this happens, the answer becomes clear based on my definition of success...keep moving forward..."

From the family and friends of THTWB, we wish you a happy July 4th!
